Our Children

Summer is in full swing, and for many of our youngest residents it means that they have the freedom to play outside to their heart's content. While we encourage kids to enjoy summer to the fullest, we also want everyone to stay safe.

Make sure your children are proactive about their safety.

Whether they are playing at a park, or riding their bikes around the neighborhood, it is important that kids understand what types of injuries could occur during these activities and how they can best avoid them.

The parents must educate the children regarding the danger on the roads and to be aware of traffic and how to act in order to stay safe.

We again urge drivers to exercise extra precaution when driving on the estate, and to be on the lookout for our children and wildlife.

The SHEBA GATE is designated for the use by residents only.

- 7 days a week between 05:00 and 21:00
- No pedestrian entrance or exit will be allowed.
